

Brief CV

Name/中文姓名	Ding Wang	Gender	Male	
Title (Pro./Dr.)	Associate Professor	Country	China	
University/Department	PLA Strategic Support Force Information Engineering University/ School of Information Systems Engineering			
Research Area	Communication signal processing/Wireless localization and tracking			
<p>Brief introduction of your research experience:</p> <p>Ding Wang received the M.S. degree from Information Engineering University in 2007. He received the Ph.D. degree from Information Engineering University in 2011. Now, he was an Associate Professor in PLA Strategic Support Force Information Engineering University. His research activities are focused on communication signal processing and wireless location and tracking. His research was supported from National Natural Science Foundation of China (Grant No. 61201381, No. 61401513, No. 61772548), China Postdoctoral Science Foundation (Grant No. 2016M592989), Key Scientific and Technological Projects in Henan Province (Grant No. 192102210092). He has published more than 70 SCI/EI papers and 8 monographs. He won the science and technology progress award of Henan Province and the natural science award of Henan Province.</p>
