

Brief CV

Name/中文姓名	Qingzheng Xu/徐庆征	Gender	Male	
Title (Pro./Dr.)	Assoc. Prof.	Country	China	
University/Department	College of Information and Communication, National University of Defense Technology			
Personal Web Sites	http://qingzhengxu.weebly.com/			
Research Area	Swarm and Evolutionary Computation			
<p>Brief introduction of your research experience:</p> <p>Qingzheng Xu is an Associate Professor with the College of Information and Communication, National University of Defense Technology, Xi'an, China. He received the B.S. degree in information engineering from the PLA University of Science and Technology, Nanjing, China, in 2002, and the Ph.D. degree in control theory and engineering from the Xi'an University of Technology, Xi'an, China, in 2011. He is a senior member of China Computer Federation. He is an Associate Editor of Mathematical Problems in Engineering, and Computer Engineering (in Chinese). His main research interests are swarm and evolutionary computation and combinatorial optimization. He has published over 50 technical papers in international journals or conference proceedings.</p>
