

Brief CV

Name/中文姓名	Xi LUO/罗熹	Gender	Male	
Title (Pro./Dr.)	Dr.	Country	China	
University/Department	National Key Laboratory of Science and Technology on Space Microwave, Cast-Xi'an Institute of Space Radio Technology			
Personal Web Sites	Not have			
Research Area	Microwave remote sensing, radar target detection and imaging, radar signal processing			
<p>Brief introduction of your research experience:</p> <p>Xi Luo received the B.S. degree in Electronic Information Engineering from the Xidian University, Xi'an, China, the M.S. degree in signal and information processing from the Northwestern Polytechnical University, Xi'an, China. He is currently an Senior engineer with the National Key Laboratory of Science and Technology on Space microwave, CAST-Xi'an Institute of Space Radio Technology . His research interests include microwave remote sensing, radar target detection and radar imaging. He presided over a number of national major scientific research and national funding projects, and obtain a number of individual and team technical honors, He has authored more than 20 journal and conference papers of SCI and EI index, and applied for 10 national invention patents.</p> <p>Dr. Luo has been the member of the Chinese institute of Electronics (CIE).</p>
